Dear Karthikeya P,

Thank you for getting in touch.

We are delighted to know that the Indian Institute of Technology Madras is interested in participating in the 2024's competition.

Simon Marais Mathematics Competition (SMMC) is open for university registrations for the upcoming competition, scheduled for **Saturday, October 12, 2024**.

Your university is more than welcome to register for this year's competition by submitting an entry **before July 31, 2024**. The **entry form** is currently password protected, with **password: smmc\_comp2024**

Please **note** that upon your registration, your University will be required to nominate **one responsible person** (the "local coordinator"), who has to be **an academic staff member** and coordinate the competition at your university.

The current SMMC Rules as well as general information, including "Frequently Asked Questions" (FAQs) can be found on the SMMC website, see homepage: <https://www.simonmarais.org/>

Please see the **FAQs** for important competition dates.

Furthermore, we kindly ask you to carefully **review the full set of the competition Rules before** submitting your registration. For your convenience, the current Rules have been attached to this email.

Once your registration application is approved, we'll provide you with details on how to register your students.

If you have any questions regarding the registration or the competition in general, please feel free to contact us at any time.

We look forward to your university's registration in the 2024 SMMC.

Thank you for your time and support.

Best regards,

Luna
